T. C. U. FRESHMEN TO PLAY SANDIES SATURDAY

WILL BE ONE OF BIG GAMES OF GRID YEAR

Texas Christian University "Freshmen" are coming here Saturday to battle the last flying Golden Sandstorm.

The question has been debated no less than a thousand times this fall whether or not the 1922 Amarillo High School Golden Sandstorm is capable of winning the Texas Interscholastic League championship.

Texas Christian University has the right to play freshmen on the Varsity squad but since they are making a bid for membership in the Southwestern Conference Coach John McKnight hasn't used a single freshman in interscholastic games.

In the game Saturday will be found a galaxy of high school material gathered from the four corners of the State of Texas.

How to dope the game is one of great difficulty and it is next to impossible to get a close comparison.

Coach Dowdless in explaining the game said: "The High School has played seven games so far this fall and it has had some people to believe that Amarillo has a wonderful chance to win the Interscholastic League championship."

The coach further announced that the season tickets would be out of order on that date. Of course the school children who are members of the Amarillo Public School Athletic Association will be given special prices but the outsiders will have to plunk down the cold cash.

INSIDE DOPE ON HOW CENTRE DEFEATED HARVARD AS TOLD BY BO McMILLIN

Football fans were stunned last fall when the wires flashed the 6 to 0 defeat of Harvard by Centre College.

Harvard defeated Centre that year, 21 to 14. The game, however, was not nearly as one-sided as the score would indicate.

Surprise to Harvard. Second—Instead of being an open attack as we had been doing all season, and as we did in the Harvard game in 1920, I resorted to a driving game, at ways kicking before the fourth down.

Game's Only Score. The only score of the game happened just after halftime made a daring running catch and return of a Harvard pass which was penalized 16 yards for

putting on, putting the ball in our possession on their 45-yard line. I called time out, gathered the boys around me and said:

SHAMROCK MEETS PAMPA SATURDAY IN CRUCIAL GAME

SHAMROCK, Oct. 17.—Probably the most important grid game of the season for the Shamrock Irishmen is the one with Pampa to be played Saturday on their field.

The Irish Lads have practically recovered from injuries and bruises sustained in last week's game with Wellington boys. They are now able to take stiff signal work, passing and punting all during the week in preparation for the Pampa game.

75 WOMEN ENTER TEXAS TOURNAMENT

RIVER CREST COUNTY CLUB, Fort Worth, Oct. 15.—Despite a deluge rain and a bitter north wind which made good playing almost impossible, seventy-five of Texas leading women golfers were today in the annual tournament of the Texas Women's Golf Association with few spectators.

The female which never really turned into rain, seemed to bother the golfers, but they stuck to their knitting and every contest started in a row.
